

For each of these songs, each time you say a new number in the song, you raise one more finger. When you want to figure out 3×7 for instance, you sing the song and raise seven fingers (3, 6, 9, 12, 15, 18, 21) ending on 21, your seventh finger.

3 is a Magic Number - School House Rock

3, 6, 9
